considered the papers filed in support of and in opposition to the application, if any; therefore, the following shall constitute the Order of the Court as to the sealing of papers submitted in connection with IFF's opposition to Mane's Sanctions Motion:

### **FINDINGS OF FACT**

1. This matter involves allegations of patent infringement and various tort claims. This Court entered a protective order on June 5, 2007 and an amended protective order ("Protective Order") on August 12, 2009 in this matter. The Protective Order provides for three tiers of designating Confidential Information.
2. Both IFF and Mane have produced and designated Confidential Information in this matter. Some of this Confidential Information has been presented to the Court by IFF for consideration in connection with its opposition to Mane's Sanctions Motion.
3. No party to this lawsuit or third-party has objected to the entry of this Order or expressed any public interest in the materials that are the subject of this Order.

### **CONCLUSIONS OF LAW**

1. IFF has clearly defined the nature of the papers to be sealed in connection with its opposition to Mane's Sanctions Motion.
2. The parties have a legitimate interest in maintaining the confidentiality of the papers to be sealed in connection with IFF's opposition to Mane's Sanctions Motion.
3. There is no less restrictive alternative to the relief sought by IFF, as the papers to be sealed under this Order are directly relevant to the issues presented in Mane's Sanctions Motion.

IT IS on this 9<sup>th</sup> day of August, 2011,

**ORDERED** that IFF's Motion to File Under Seal papers submitted in connection with its opposition to Mane's Sanctions Motion is GRANTED; and

**IT IS FURTHER ORDERED** that the Clerk shall maintain under seal the Brief and Certifications, including exhibits, submitted in support of IFF's opposition to Mane's Sanctions Motion.
